**IBIZA**

The third largest of the Balearics, Ibiza is famous for its nightlife and club scene, but this delightful island has so much more to offer – by day and by night.

If relaxing on the beach, soaking up the sun and swimming in the hotel pool or sea is your idea of heaven, Ibiza has that in bucketfuls, but if you want a more active holiday, there's plenty of choice.

You could bring your local football or rugby team to the island and Ibiza Sports Tours will organise games or for some adrenaline rush you can explore the island off-road with Riders Adventure Motorcycle Tours. Then there's scuba diving in the Mediterranean with Vellmarí Ibiza Dive Center or you can charter a yacht and find a secret cove for lunch.

To sample local produce dine at Cicale restaurant, for a cosmopolitan vibe pop along to Ispirto or for a friendly welcome you'll feel at home at the Ring O' Bells.

No matter what you're looking for, you'll find it in Ibiza – and it's only a short Ryanair flight away!

**ALLRIDERS IBIZA**

A love of riding is all that is required to experience Ibiza by bike. Allriders Adventure is a unique idea that allows motorbike aficionados to explore the small but mountainous island of Ibiza and where there are almost unlimited options for off-road motorbike training.

Balancing a love of riding with the respect and care needed to protect the fragile ecosystem on the island is vital, so the utmost care is taken in preparing and training each person for their ride. This is great for riders of all levels because the tours can be catered to fit every rider's need. Your guide will be Shlomo Bahalul.

**CICALE RESTAURANT**

We are Michela and Paolo and we fell in love in Ibiza. Five years ago we opened Cicale in a 200-year-old farmhouse in the north east of the island. The white walls of our dining room blend with the azure and yellow furniture. In summer you can gaze into the garden and in winter a fire keeps you warm.

We serve traditional Italian food with a modern twist in a relaxed atmosphere with impeccable service. Our menu changes every week and is cooked using organic home-grown vegetables and seasonal fruits. Dishes include sea bass ravioli, grilled prawns with porcini and beef straccetti in a Parmesan basket.

We are open from April until the end of October.
